Dear Mr Fann

Re: Amerindo Advisors (UK) Ltd

I refer to my letter of 19 August.

I met with Mrs Tanaka who informs me that the company's items are currently stored at Cadogan Tate of 239 Acton Lane Park Royal London NW10 7NP.

I understand from Mrs Tanaka that the items stored do not all belong to the UK company, apparently there are several boxes of papers which have not yet been properly catalogued.

Please let me know if you require any further information.

Yours sincerely

MICHAEL COOPER
